ORANGES TO GO TO MARKET IN BASKETS

Charles Latimer, proprietor of the San Antonio Orchard company of Ontario, shipped a car of oranges Tuesday to eastern markets in baskets.

Each basket contained 52 pounds of fruit and the oranges were minus the paper wrapping.

The fruit was graded, sized and washed, and it is believed it will carry just as well as the box pack. Box shock, labor and wrapping paper have increased 150 per cent since last year and the basket shipping saves from 25 to 50 cents on each box.

HERE FROM SACRAMENTO

Mrs. Blanche I. Kahler of Sacramento, who formerly lived at 209 W. Laurel, is visiting E. A. Bernerly and wife at Monrovia. She was calling on Sierra Madre friends yesterday.

SLOW BUT SURE

Senator Hiram W. Johnson has secured the passage of amendments to the Emergency Tariff bill providing for an increase in the duty on lemons to two cents a pound, on olives in solution to twenty-five cents per gallon, on olives not in solution to twenty-five cents per pound, on olive oil to sixty cents per gallon in bulk and seventy cents per gallon in containers of less than five gallons. The Senator obtained on the Senate floor an agreement to accept his California amendments and they were adopted and incorporated in the bill.

\$20 FOR SHOOTING WITHIN CITY LIMITS

Jack Britton of Lamanda Park was fined \$20 in police court Friday for discharging firearms within the city limits. Hiram Jaqua was fined \$10 for the same offense.

CO-ADJUTOR BISHOP VISITS CHURCH OF THE ASCENSION

On Sunday morning the Right Reverend Bertram Stevens, recently elected co-adjutor Bishop of the diocese of Los Angeles, administered the rite of Confirmation to a class of twelve, presented by the rector, Dean Shaw. An unusually large attendance filled the church to the doors and the Bishop's address was listened to with close attention. His text was "Whatsoever is born of God overcometh the world, and this is the victory which overcometh the world, even our faith."

The address was intended primarily for the children who were confirmed, but while in language simple and direct enough for their comprehension, was intellectually satisfying to the older members of the congregation. Quoting a phrase recently coined by Dean Fosdick of New York, "victorious personality," Bishop Stevens showed the need of this for success from the Christian standpoint, the important factors being humility as opposed to undue egotism, constancy, courage, especially the courage of the commonplace, and trust.

Perhaps the most eloquent praise of a masterly method of handling the subject was that given by one of the smaller choir boys, who interrupted the more conventional enthusiasm of his elders with an enthusiastic "Go!" that was a swell sermon; "I'll tell the world!" If the Bishop had heard that judgment, he would have had no doubt of its sincerity, however lacking it might be in grace of expression.

After the service an impromptu reception was held on the grounds of the church and every one had an opportunity of meeting Bishop Stevens. His personality made a most favorable impression and the consensus of opinion was that Southern California was most fortunate in having secured him to take up the work as assistant to Bishop Johnson.

WILL LECTURE IN PASADENA

The Prince John David de Windsor, chairman of the American Union Commission for the Restriction and Prevention of Tuberculosis, will deliver an address at the Assembly Hall, Fogg building, North Fair Oaks and West Colorado street, Pasadena, Wednesday afternoon, March 2, at 3 o'clock, on the "Imperative Need of Protective Measures Against the Spread of Consumption in Southern California."

The Prince John David, who is noted for his extensive medical researches in various lands, including tuberculosis, cancer, leprosy, cholera, the bubonic plague and other infectious and epidemic diseases, received the thanks of the late King Edward officially for the presentation of the results of his researches to the king. Plans are now being carried out for the establishment of sanatoria at Palm Springs and other centers for the preventative treatment of pulmonary affections.

APPLEBY-ADAMS ENGAGE- MENT ANNOUNCED

The engagement of Miss Yerde Appleby, daughter of Mrs. John Appleby, to Roland Arthur Adams, was announced at a delightful tea Friday afternoon at the Appleby home, 240 East Grand View.

Miss Appleby's secret was disclosed to the guests in an artistic and original manner. Each lady was presented with a corsage bouquet of violets and sweet peas, and nestled among the petals was a tiny envelope containing the announcement. The dining and living rooms were decorated with sweet peas and violets.

Delicious refreshments consisting of brick ice cream with pink heart centers, and French pastry, in the form of baskets, were served. After the refreshments Mrs. George Norris gave a whistling solo and Mrs. H. I. Hawhurst and Mrs. James N. Hawks sang a duet.

There were thirty-five guests, and those assisting the hostess were Mesdames T. H. Flather, W. H. Ingraham, H. I. Hawhurst and James Hawks.

Out of town guests were Mrs. Potts and Misses Frances Potts and Fair Craven of Hollywood.

SHOULD KILL THESE BILLS

Three bills are pending before the legislature all having for their object the curtailment of legitimate activity of trust companies and other business interests, namely, Senate Bill No. 21, and Assembly Bill No. 148, purporting to deal with the unlawful practice of the law, and Senate Bill No. 602, having for its object the prohibition of solicitation by a trust company for any business which it is by law authorized to conduct.

ENTERTAINS WITH SUPPER

Mrs. W. H. Ingraham entertained with a supper party last Friday night following the dance at the club house. The affair was complimentary to Dr. and Mrs. Hayes of New York, and to Miss Yerde Appleby and Roland Adams, whose engagement has just been announced.

PILGRIMAGE TO SAINT RITA'S SHRINE

On March 6 St. Rita's parish will solemnly celebrate the first anniversary of the pilgrimage which was held to St. Rita's Shrine on March 14 of last year. Many of the readers of the News will remember the immense crowds that gathered on that day, when in the neighborhood of 2,000 people took part in the ceremonies.

On that occasion all of the pilgrims walked in procession from St. Rita's church up Baldwin avenue to Mrs. Schmidt's beautiful grounds on Sycamore Place and all were delighted and surprised with the beauties of Sierra Madre, the charming city at the foot of Mt. Wilson.

As St. Rita's church is too small to accommodate such large gatherings, preparations are being made to hold the services outside on the church grounds.

St. Rita's Shrine is the only one of its kind in Southern California and it is little over a year since it was established. It is the only one in all

MRS. LEES ENTERTAINS FOR HER SON, RICHARD

Mrs. William R. Lees entertained a number of young people at the Lees home on East Central avenue Friday evening in honor of Richard, the son of Mr. and Mrs. Lees. The valentine scheme of entertainments—decorations and refreshments were carried out.

WHY SO MUCH APPLE PIE?

We have been in California almost a year and during that time have attended on the average of two banquets a month and with three exceptions we have been served with apple pie. We never ate so much apple pie in our life, and we have come to the conclusion that apple pie is the only kind of pie that can be made and served with a degree of security in California. Give us some other kind of pie.

California where organized pilgrimages were ever attempted. This shrine is becoming better known every day through the medium of over 800 members of St. Rita's Society, organized in connection with the shrine. Letters are being sent from time to time to the members and this keeps Sierra Madre and its shrine always before their eyes.

All during the year individual pilgrims come up on a visit, especially on Sundays, and spread the fame of our city as well.

All that is needed to make the pilgrimage a success is favorable weather, as of course, rain would keep most of the prospective visitors away. St. Rita's church is getting much too small and it is expected that a beautiful church will be erected within a year or two that will be a credit to our growing city and an asset to the community in general.

The Pacific Electric railway will run a number of special trains on the above date to accommodate the many people, and are making all arrangements for a satisfactory service.

AT THE WOMAN'S CLUB HOUSE

"The Feast of the Holy Innocents"

The Cast in Order of Appearance

Joan Oberly, The Irish wife of the Village Blacksmith...Mrs. Woodson Jones.

Cornelia Milk and Electa Milk, two fussy spinsters longing for a bit of life...Mrs. W. R. Morgan and Miss Leah Fletcher.

Lizzie Oman, Society leader of Lakeport...Mrs. Genevieve Neutzler.

Jennie, Buxom daughter of Joan...Ethel Karpf.

A most delicious bit of small town stuff, delighting us with the clever maneuvering of the Milk sisters to see the great Bernhard.

"The Neighbors"

The Cast

Grandma...Mrs. J. C. Dickson.

Mrs. Diantha Abel, leader of the "Patch"...Mrs. Frank Wright.

Ezra Williams, afraid of overworking...Mr. Elliot Rhodes, Sr.

Peter, the shy clumsy suitor...Mr. Frank Wright.

Inez, daughter of Diantha...Mrs. Bruegger.

Mrs. Elmira Moran, the gossip with a perpetual ache...Miss Maude Gray.

Mrs. Trot, with a Buffalo Bug...Mrs. W. E. Anderson.

Mrs. Carry Ellsworth, with a sweetness that changes all...Miss Yerde Appleby.

It would be difficult to find a more screamingly funny and yet pathetic play with its splendid message of unselfishness than "The Neighbors," and just as difficult, perhaps more so, to find a cast with as much appreciation of their totally different character parts, than these players. A gentleman visitor from Boston who stayed through one of the rehearsals said in all sincerity that he never saw character plays so well acted.

The managing director and producer, is delighted to offer this interesting program to Sierra Madre and promises with the new scenery, which is being built to give a correct setting to both plays which the cleverness of the players deserves. There will be good music and the evening performance will be followed by a dance.

Prices—Matinee, 35 cents and 50 cents plus tax, evening, A small block of choice seats 75 cents. Reserved seats 50 cents. General admission 35 cents.

CHRIST AND THE CITY

The Christ who loved the country loved the city, too; The busy streets and restless crowds our Lord well knew. Where men bargained daily in the marketplace— There he offered freely the riches of His Grace. Where multitudes grew weary, by heavy cares oppressed, Christ brought the message cheery, "I will give you rest."

People who have to work for a living can almost afford to buy a dozen oranges--at present.

In our opinion, Herbert Hoover can serve this world to a far greater advantage out of President-elect Harding's cabinet than he can in it.

Ignace J. Paderewski is on his way west and will spend the summer on his estate at Paso Robles. "I shall compose music from time to time, but I shall never play again," he said.

Last summer was a good summer for Sierra Madre. A better summer is expected the coming season. Would it not be well to look forward to some sort of an advertising campaign? We are anxious to have the eastern people with us, but we must provide some place for them when they arrive.

BY THE WAY

Pour l'amour de Mike--

Always at it--that is the reason the Hun gets so far with his propaganda. This time it is allegations of atrocities by black troops in French uniforms along the Rhine. The impression conveyed is that of a horde of African savages now overrunning the country and subjecting the women and children of Germany to the sort of thing the Huns perpetrated in Belgium and France. Now comes the French ambassador and says there have been no black troops in the French army of occupation for six months. Sierra Madre people are now being "nestered" with this propaganda. Probably it goes all over the world. In the light of M. Jusserand's statement there appears to be no purpose in the campaign except to stir up hatred among the late allies and in some manner relieve Germany of a portion of the penalties of her war program.

No Gymnastics--

Conductor Rothwell is my idea of a real one. First of all he knows his business. For the rest, he is on the dias for the sole purpose of getting

his desired effect from the great 100-man instrument. He is not there to amuse the audience with calisthenics. In fact, his only concern with the audience is indicated while he looks around and waits for all to be seated and quiet. When he turns to the orchestra the audience seems to be forgotten. The result he is after is to be secured from the orchestra. If the result seems to meet the appreciation of the audience Mr. Rothwell is human and gracious. Mr. Clark appears to have secured exactly the right man to make the most of his great benefaction in the Philharmonic foundation.

Among the Best--
It is inspiring to see something done by a large number of men who know exactly what is to be done and how to do it. For a fine example go to hear and see the Philharmonic orchestra. In less than two years Conductor Rothwell has built up an organization ranking among the best in the country. I say after hearing the Chicago Symphony but recently. It was better, of course, as it should be. But not so much better as to preclude deep satisfaction in having at hand something so nearly in the same class.

Books and Music--
Many patrons of the Sierra Madre library are aware of how much the community is indebted to Mr. H. J. Potter for the admirable character of our book collection. They have some insight into the extensive knowledge of books back of it all. But only a few, perhaps, have discovered in him a keen love for and extensive knowledge of music. One contributing factor was attendance at the Chicago Orchestra concerts for ten consecutive seasons. For a layman that is a liberal education in the best in music.

WATER STANDS HARD TO FIND

Recently a few of the fire boys went out over the city trying to locate some of the fire stands. One stand on West Grand View was completely obscured from view, and had it not been for a leak so that the stand was "heard" it would not have been located. Property owners would confer a favor if they would paint their stands white. It might be the means of saving your home from burning some time.

CONFUSION IN TAXES

The city taxes in Sierra Madre are \$1.72. Some are inclined to think that this entire amount is the sum total of the water bond issue. This is a mistake. Of the \$1.72, only 27 cents goes for the water bond issue, and there is \$47,000 of the amount that has not been used.

ASSOCIATED CHAMBERS

OF COMMERCE BANQUET

The regular monthly meeting of the Associated Chambers of Commerce will be held next Tuesday, March 1, at Arcadia. It is hoped that a large delegation from Sierra Madre Chamber of Commerce will attend.

The speakers have not yet been announced, but the program is sure to be as interesting as the one at the meeting recently held here at the Woman's club, and those attending are sure of a most worth while evening.

Tickets can be obtained from the secretary at the office, 27 N. Baldwin avenue. Any one wishing to go please notify the secretary at once, as the number from this town must be telephoned to the Arcadia secretary not later than Monday morning.

Arcadia is our nearest neighbor in the association and they sent a good delegation to our banquet. We should not fall behind now it is their turn to entertain.

ATTENDED W. C. T. U.

REGIONAL CONFERENCE

Mrs. John W. Tyree, Mrs. John B. Weeks and Miss Annie Greene attended the Pacific Coast Group Regional Conference of the National Woman's Christian Temperance Union held in the First Baptist church, Los Angeles, Tuesday, Wednesday and Thursday.

The conference chairman was Mrs. Margaret Manns, Chicago. Mrs. C. J. Vayhinger, national director department Americanization; Mrs. Elizabeth A. Perkins, national director child welfare; Mrs. Elizabeth O. Middleton, national director department scientific temperance instruction; Dr. Valeria M. Parker, national department social morality, and Mrs. Deborah Knox Livingston, superintendent department of Christian citizenship, were some of the more distinguished speakers on the program.

"WIN ONE" HAS PARTY

A delightful valentine party was held last Saturday night by the girls of the Win One club at the home of Mr. and Mrs. James Forshaw on North Adams street.

The rooms were decorated with streamers and hearts and a large paper heart hung over the light, with streamers leading to each place at the table, which was full of good things to eat. Each girl of the club had invited a friend. Those present were:

Misses Mildred Zellar, Ruth Brooks, Lucile Ladd, Mora Polue, Inez Romero, Loraine Wright, Phyllis Rigney, Lois Brooks, Martha Thomas and Florence Evans; Messrs. Lawrence Henderson, Howard Watson, Ralph Jester of Pasadena, Joseph Evans, Gordon Brooks, Max Colwell, William O'Kere, Gordon MacMillan, Robert Green, Paul Todd and Mr. and Mrs. Forshaw.

TO MEET IN SOUTH PASADENA

The Wednesday Knitting club will meet with Mrs. F. H. Kent of South Pasadena on Friday evening.

MILK PRICES REDUCED

The Sierra Madre dairy offers a reduction in milk prices this week. Mr. Jones has purchased twenty more dairy cows, which will enable him to furnish his customers with milk entirely from his own herd.

Stock foods have dropped some in price, which is responsible for the drop in milk prices.

OPEN MEETING EASTERN STAR

The local chapter of the Eastern Star held an open meeting in the lodge rooms at the Woman's Club house. The evening's entertainment commenced with a four course dinner at 7 o'clock, followed by a literary and musical program and talks by Worthy Grand Matron Mrs. Effie Easton of San Francisco, Worthy Grand Patron Harry Musser of Hollywood, and Mrs. Swanson, grand district deputy of Pasadena. Representatives of lodges from several of the surrounding towns were present.

"EVERY-DAY LIFE IN SIERRA MADRE," MARCH 11 AND 12

At the regular meeting of the Firemen's club last night it was decided to present "Every Day Life in Sierra Madre" at the Woman's club house, Friday and Saturday nights, March 11 and 12. It will be a continual stream of comedy from beginning to end, interspersed with music.

DOG SHOW IN MARCH

The spring dog show circuit commences March 25 with the show at Pasadena. The Anokaia kennels of the Baldwin ranch, in charge of Chris. Shuttleworth, will be represented at all the shows.

The two best English bulldogs in the United States are now owned by the Anokaia kennels. The Pacific Coast champion was raised at the latter kennels and is strictly a Pacific coast product.

MISS ATRIDGE DEAD

Miss Marion Atridge, aged 32, died at her home, 277 West Highland, Wednesday morning.

Funeral services will be held from the Cro-Cathedral of the Episcopal church at 11 o'clock Friday morning, in Los Angeles. Dean Shaw will officiate. Interment will be in Hollywood cemetery.

Miss Atridge is survived by her mother, Mrs. C. A. Atridge, and two brothers.

DECLARING DIVIDENDS

Butter sold for fifty cents a pound in Sierra Madre the fifth day of February. Yesterday, the 23rd day of February, butter sold for seventy cents per pound. The dairies have evidently declared a dividend.

SCHOOL ELECTION IN MARCH

There will be a school election some time in March, probably the 26th, to elect one member to the board of trustees.

Woman's Club

Social Meeting

An Americanization Day program is scheduled for the afternoon of Monday, Feb. 28, at which time the club members, and their guests, the pupils of the intermediate grades of the grammar school, will be privileged to listen to a most wonderful lecture, "The Latch Key," by Mrs. John C. Urquhart, district chairman of Americanization for the State Federation of Woman's clubs, and candidate for district president.

When Mrs. Urquhart began the Americanization work for the district she spent three months at summer school at the University of California preparing for her work. The singing of patriotic songs will lend an added interest to those who enjoy community singing.

Let us show our loyalty and patriotism by filling the club rooms on this day.

Grand Inaugural Ball

Refreshingly novel was the idea which originated at a recent meeting of the board of directors to hold a Grand Inaugural Ball on the evening of March 4. Immediately the word went forth and now society is enthusiastically astir planning beautiful gowns, a number of dinner parties having been arranged for by popular hostesses of this city. Several figures of the cotillion with favors, will be a feature which will add beauty and grace to perhaps as brilliant a function as the Woman's club has ever fostered. Those lending their presence as patrons and patronesses are Mrs. and Mrs. W. J. Lawless, Mr. and Mrs. C. W. Jones, Mr. and Mrs. F. P. Sperry, Mrs. Frederick Urban, Miss Donna Harter, Mrs. M. D. Goodfellow and Mr. and Mrs. Louis Dietz.

Entertainment

You will be sorry indeed if by this time you have not purchased tickets for the two one-act plays which will be put on Saturday afternoon and evening, Feb. 26, by the Drama section. The plays teem with situations both ludicrous and pathetic, and these are brought out with astonishing realism by the cast, each one of whom has interpreted his part in an almost professional manner. The afternoon performance will begin at 2:30 and the evening at 8:15. Judging by the increased demand for tickets at this writing, standing room will be at a premium at both performances. At the close of the evening performance there will be a dance. A special rating has been made for the grammar school children by which they will be allowed to attend the Saturday afternoon matinee for 25 cents.

Colonial Tea

The colonial tea given at the beautiful and commodious home of Mrs. E. C. Newton on Tuesday afternoon was a most pleasant social affair and was attended by about seventy ladies. The afternoon being ideal many of the guests were delighted to stroll about in the beautiful gardens, while others spent the time at cards, fancy work

and social chat. The proceeds of the tea will be used to purchase furnishings for the club parlors. Mrs. Newton was charmingly assisted by Mrs. W. H. Ingraham and Mrs. J. Milton Steinberger.

TRAPPING IS GOOD

Information comes from Roberts' Camp that the trapping in and about that vicinity is good. Coyotes, skunks, foxes and an occasional bob-cat are caught. Fur from animals caught at this time of the year is a very good quality.

NEW SCHOOL BOARD MEMBER

Mrs. Blanche M. Parker has been appointed a member of the Sierra Madre school board to fill the unexpired term of Mrs. R. J. Lord, who resigned.

AUTOMOBILE TRAFFIC

VIOLATORS FINED

Kenneth Cummins of Los Angeles donated \$5 in police court Wednesday morning for operating an auto with the muffler open, and Raymond West paid \$4 for driving on Sierra Madre streets without a tail light.

GUESTS AT EVANS HOME

Mrs. John Harris of Sacramento, president of the California society of War Mothers, and her mother-in-law, Mrs. Harris of Tennessee, who spent five years in China as a missionary, were week end guests at the W. A. Evans home at 397 West Central.

AID SOCIETY

The Ladies' Aid society of the Congregational church will meet Tuesday at 3 p. m. in the church parlors. The entertainment will be in the form of a kitchen shower for the church. Hostesses for the occasion will be Mrs. J. D. Sparks and Mrs. Albert Seeley. For further particulars call Red 13.

PLAYS BY WOMAN'S CLUB

The Drama section of the Woman's club of Sierra Madre are giving two one-act comedy plays Saturday afternoon and evening at the club house.

Those who are familiar with the setting of the plays and who have witnessed the rehearsals, say those who attend may go prepared to witness a riot of fun.

Tickets are on sale at Woodson F. Jones' Music store.

WILL BUILD HOME HERE

I. A. McCaleb has bought a one and one-half acre tract at the corner of Grove and Alegria. He will at once commence erection of a six-room residence for himself and will become a permanent resident of Sierra Madre, the city of homes.

P. N. YUILL DEAD

Peter Nelson Yuill, aged 35 years, died at his late home, 185 North Lima, Monday, February 21. Funeral services will be held from the Allen T. Gay undertaking parlors Saturday afternoon, conducted by Dr. W. H. Rawlings of the Bethany church.

Mr. Yuill is survived by a wife and daughter.

PASADENA WOMAN SPEAKS
BEFORE PARENT-TEACHERS
MEETING

Mrs. J. D. Rowe of Pasadena was the principal speaker before the Parent-Teachers' Meeting at the School house Wednesday afternoon. Her subject was: "Parent-Teachers' Work." Special stress was laid on the fact that very few invitations were extended to the teachers to visit the homes. "This," Mrs. Rowe said, "is very essential if a better acquaintance is to be formed between the teachers and pupils."

The hostesses for the afternoon were: Mrs. Thomas Henderson, Mrs. A. L. Jameson, Mrs. Louis Karif and Mrs. A. M. Udell.

DAILY MUSICAL PROGRAM
AT ORANGE SHOW

Every day will be a special day at the National Orange Show at San Bernardino, beginning today. Tomorrow, Saturday, is editorial association day and Riverside day. It is also Santa Monica day and the municipal band from that city will furnish the music. February 22 is Long Beach day and the band will accompany a special train load of rotary club members and officials from the Long Beach Chamber of Commerce.

ALL COLORADO CALLED

All who ever lived in Colorado are invited to meet for the great annual picnic re-union, all day, Saturday, February 26th, 1921, in Sycamore Grove Park, Los Angeles. Further information may be had of C. Robert Weber, president, phone 67091, or of Mrs. Gertrude Hubbard, Vermont 6166.

A TRIBUTE TO THE
P. E.'S CHIEF SURGEON

In the February number of the Pacific Electric Magazine a splendid tribute is paid to Dr. George L. Hutchinson, Chief Surgeon, who died. Few men who have dwelt among us, and who have passed to the beyond have left to the memory of those still here, greater achievements in deeds of good and expressions of kindness than this practitioner of the medical profession.

DECIDUOUS FRUIT GROWERS
ADVISED TO SPRAY

Growers of peaches and apricots are advised by the office of the Agriculture Extension Service that the period for the second dormant spray may be expected within the next two or three weeks. Of the two sprays necessary for successful combating the principal pests and diseases of deciduous fruits the second is of considerable more importance than the first or winter spray, according to Farm Advisor Hodgson, who advises growers to watch the buds on their trees very carefully and at the first signs of the swelling of the buds to begin spraying operations. The diseases to be sprayed for at this time include leaf borer of the peach, California peach blight and twig borer and shot hole and brown rot of the apricot.

A LAUNDRY IN SIERRA MADRE

A Laundry in Sierra Madre is not a practical business proposition because of lack of a sewage system. The next best thing then for Sierra Madre boosters is a resident tax-payer agent who will give quick efficient service both for dry cleaning and laundry. Call Blue 164. adv. c21

Rev. A. H. Miller, conductor adult's Bible class.

The messages morning and evening last Sunday were probably the strongest ever listened to by the large congregations present.

The sermon of the evening taken from Luke 11:21-26, "The Strong Man Beelzebub, the Devil, Who Keepeth His Palace and his Goods in Peace, Until a Stronger Man Than He Ever Jesus Christ, Our Lord, Shall Come Upon Him and Overcome Him, was truly a revelation to all who listened."

Dr. Rawlings announced that commencing with the first Sunday in March he would give a series of sermons upon the Holy Spirit, The Types, His Person and Ministry.

The many friends who followed the thirty-nine sermons on the second advent of the Lord are looking forward to this new series of messages that cover several weeks.

The many friends who enjoyed the ministry of Mr. Karl Hummel during the absence of Dr. Rawling in the summer of 1919 will be glad to hear of his missionary work in Central America. Mr. Hummel and his wife are the first missionaries to go out representing Bethany Church.

Much sympathy is felt for Miss Needham who went to Japan as the representative of Bethany Church at the World's Convention of Sunday School Workers. Her brother, the Rev. Harold Needham and his wife accompanied Miss Needham. A cable recently received told of the sudden death of Mrs. Needham. Two weeks ago Dr. Rawlings preached a suitable sermon in connection therewith at the Sunday morning service at Bethany Church.

Miss Needham is now in India and expects to go to Egypt, Palestine and Europe before returning home. Bethany hopes to welcome her back about June next.

COW TESTING ASSOCIATION
SHOWS BIG RETURNS

The January report of the Los Angeles County Farm Bureau Cow-testing Association shows an extremely high average. During the month of December the 3,000 cows under test produced an average of 36.6 pounds butter fat. This was thought by many people to be a high average mark but in January these same cows produced on the average 912 pounds of milk and 37.4 pounds of butterfat.
